## TRAVELLING WELL WITH LEASECARE

If the new Ford or Lincoln vehicle you're buying or leasing needs service on a component covered by the Basic Coverage under the New Vehicle Limited Warranty or the extended component coverage, you're travelling well with immediate rental service coverage available from **LeaseCARE**.

**LeaseCARE** also gives you the peace of mind protection of additional component coverage for the road ahead.

### SOME POINTS TO REMEMBER ABOUT YOUR LEASECARE PLAN...

- **LeaseCARE** service can be obtained at more than 4,500 authorized Ford, Ford Lincoln and Mercury Dealers in Canada and the United States. Ideal if you need a rental car while repairs covered by the Basic Coverage under the New Vehicle Limited Warranty or LeaseCARE are being performed.
- Time and distance limitations for Ford ESP New Vehicle Plans are calculated from the time the vehicle is initially put into service and zero kilometres.
- Ford ESP New Vehicle Plans are effective concurrent with the New Vehicle Basic Warranty and are not extensions of the New Vehicle Basic Warranty.
- Ford ESP Plan prices and component coverage are subject to the pricing and component coverage in effect at the time the plan is purchased. Plans and prices are subject to change without notice. See your participating Dealer for details. ESP plans are subject to GST, PST and HST where applicable.
- **LeaseCARE** can be purchased on its own or combined with the Ford Maintenance Protection Plan (FMPP); when **LeaseCARE** and FMPP are purchased together, **LeaseCARE** provides rental for repairs covered by the New Vehicle Limited Warranty or your extended component coverage, and FMPP provides scheduled maintenance and coverage of certain wear items only – a true “gas-and-go” approach to driving costs.
